House.—Hon. John M. Thompson, a new member from Pennsylvania, who was elected to fill the vacancy caused by the resignation of Hon, E. McJunkin, appeared and was sworn in.

Mr. Townsend, of Pennsylvania, from the Committee on Agriculture to make a special distribution of seeds to farmers in the West where the country has been devastated by grasshoppers. Referred to Committee of the Whole.

He also reported the bill to authorize the Commissioner of the General Land Office to issue patent for ten acres of land near Fort Yauma, Arizona, held as

Office to issue patent for ten acres of land near Fort Yauma, Arizona, held as

land near Fort Yauma, Arizona, held as a military reservation, and to restore the same to the purchasers for sale. Passed.

Mr. Bradley, of Michigan, from the same Committee, reported a bill granting right of way to Wahsatch & Jordan Valley Railroad, in Utah; referred to a Committee of the Whole.

Mr. Phillips, of Kansas, from the same Committee, reported the Senate bill declaratory of the joint resolution for settlers on absented Shawnee lands in Kansas; passed.

alers on absented Shawnee lands in Kanss; passed.

A member of the same committee reported a bill to appoint a committee to fiquire into the destruction of timber on public lands, and report the measures necessary for the preservation of timber on said lands. Referred to Committee of the Whole.

Mr. Hager, of California, presented a memorial from city of San Francisco, asking payment for improvements of streets in front of the public buildings in that city. Referred to the Committee on Appropriations.

Mr. Cameron, of Pennsylvania, presented a memorial of numerous tobacco

sented a memorial of numerous tobacco dealers of Philadelphia, in reference to tax on tobacco. Referred to Committee on Finance.
Mr. Sargent, of California, presented a

memorial from a California battalion which served in the war of the rebellion, asking that they be allowed their travel-ing expenses from the place of discharge to their home. Referred to the Commit-

tee on Military Affairs. Mr. Sherman, of Onio, from Committee Mr. Sherman, of Onio, from Committee on Finance, reported a bill removing dimitation of circulation on National banks and issuing government notes.

Mr. Sargent, from Committee of Apparatus reported with immaterial

propriations, reported with immaterial amounts, a naval apportionment bill and gave notice that he should call it up at an early day.

The Tilton-Beecher Case in Court.

BROOKLYN, N. Y., Jan. 6.—The panel of five hundred persons summoned for the Beecher-Tilton case packed the City Court Room to-day. Tilton and Moulton were both present with a full array of counsel; also, Mr. Beecher, with Raymond, and counsel, Shearman, Tracy and Hall.

and Hall.
Mr. Beecher's counsel began the argu Mr. Beecher's counsel began the argument, claiming that the trial was actually on before Judge McCue, and quoting precedents in support of his claim. Tracy, also for Beecher, followed, denying Judge McCue's power to transfer the case to another Court. Mr. Tilton's bounsel were surprised at this application by Beecher's counsel, and said it was perfectly well understood that the perfectly well understood that the

Arial was to take place before Judge Nelson.

Mr. Evarts, for Beecher replied citing precedents. Judges McCue, Reynolds and Nelson, consulted together, and told and Nelson, consulted together, and told the counsel they would render a decision this afternoon. If the decision be against Beecher, he will appeal to the Supreme Court, thus postponing the case until February.

Message of the Governor of New York. ALBANY, N. Y., Jan. 5.—The Governor's message was read in the Legislature to-day. It shows the State debt, on 30th of September, 1874, as \$30,199,456.40, being a reduction of \$60,249.50 since last year.

He recommends that the State reserve

the Eric canal and not contemplate its abandonment. Much space is devoted to canals, with various recommendations for their improvements. The remainder of the message is devoted to State finances, etc.

Reported Cuban Expedition.

NEW YORK, Jan. 6 .- It is reported that there is a Cuban expedition in prepara-tion and soon to start from some part of our coast. It is also said that it will be the largest and most efficient of any that has yet been organized and sent out from this country.

STEAMER SAILED.

The steamer Acapulco salled for San Francisco at noon to-day, carrying 84 eabin and 176 steerage passengers, to-gether with 1,862 tons of freight. She has on board the U. S. Darlen Canal exploring expedition.

NEWS FROM THE OLD WORLD. LONDON, Jan. 5 —A dispatch from Rot-terdam reports that ninety lives were lost by a colliery explosion near that place to-day.

MADRID, Jan. 5 .- Preparations are be-MADRID, Jan. 5.—Preparations are being made at Barcelona for the reception of King Alfonso. The city will be illuminated, and the troops will be reviewed by His Majesty. The bank of Spain has advanced the Government treasury 40,-000,000 reais (\$4,000,000).

Paris, Jah. 5.—It is stated that President McMianon is about to send in another message to the National Assembly, urging its vote on the Constitutional laws.

CONSTANTINOPLE, Jan. 5 .- Several persons implicated in the disturbance at Padgoritz. Albania, when a number of Montenegians were killed, have been condemned to death by the Turkish authorities.

THE Third Ward Building Association with a capital of \$500,000, divided into \$200 shares, was incorporated to-day. John Roesch, Henry Macke, Henry Dalke, Henry Klenke, and U. Nealzean the incorporates. the incorporators.

THE scalp inquest has deen post-

MESSRS. L. EVANS, Robert R. Russell and J. Maguire of this city were registered at St. Louis hotels yesterday.

THE St. Louis Globe of yesterday says "Alfred Gaither, President of the Adams Express Company, and J. M. Kenny, Director of the Transfer Company and Union Depot, both of Cincinnati, Ohio, are stopping at the Lindell."

MR. Hoban, one of Springmeyer's numerous appointees, desires us to say that his resignation as Turnkey of the County Jail was his own individual act, and was not caused by any official pressure brought to bear upon him.

A LITTLE girl about six years of age, while warming herself this morning at a charcoal furnace used for roasting chestnuts on the corner of Fifth and Walnut, allowed her clothes to catch on fire, and would have been badly burned but for the timely interference of Officer Von Seggern, who smothered the flames.

LAFAYETTE COFFEE, one of the party alleged to be implicated in the Mary Lee murder, was let go on his own recogni-zance by Judge Marchant this morning, to appear, however at the trial of the others on Jan. 8th. Prosecutor Campbell stated that from the facts elicited in the coroner's examination, nothing criminal seemed to appear against him.

Larcontes. John Miller and Lewis Berkley were arraigned in the Police Court this morning, charged with stealing sixteen loaves of bread, worth sixty-four cents, from Dan. J. Smith. Miller entered a plea of Dan, J. Smith. Miller entered a plea of guilty and exonerated Berkley from all complicity in the crime. His Honor accordingly rewarded Miller with a sentence of thirty days, and dismissed Berkley. An apparently weak-minded youth named John Pries was arraigned, and stood charged with stealing a lot of groceries from one E. Roetken. In the testimony it appeared that Pries was subject at times to attacks of insanity; that on the night when the things above denominated were stolen this was espenominated were stolen this was espe-cially the case, or even more so than usual. He was under the influence of usual. He was under the innuence of liquor, which tended to aggravate these attacks. The Court, before hearing the whole of the evidence, claimed a conviction, and, in passing sentence, stated that under the circumstances he would impose a fine of \$100.

BY TELEGRAPH.

More Reciprocity.
WASHINGTON, D.C., Jan. 5.—Next week it is understood negotiations for the rec-iprocity treaty between the United States and Hawaii will be begun by the State Department, with Chief Justice Allen and Henry A. Conlir, a special Commis-sioner appointed by King Kalakaua.

Foreign News.

New York, Jan. 5.—A Paris special to-day gives an interview with King Alfonso, of Spain. He leaves for Madrid on Wednesday. He says he will endeavor to settle the Cuban difficulty and negotiate for a restoration of Gibralter to Spain. The Government will be framed after the British and Belgium models. The policy will be peaceful and conservative. The Prussian military system will be applied.

There will be a thorough financial reform. Home commerce will be developed, including the railroads. Amnesty will be granted to political offenders.

BAGS—There is little doing, and the offerings are myderate at prayious rat

bu, 10211c; burlaps, 4 bu, 14215c; gunnies, 2 bu, 14215c; gunnies, 4 bu, 2325c.

BARK—There is only a moderate demand, but the receipts are rather limited, and prices are steady. Prime encent oak is worth \$12.00 @ill per cord, affoat.

BEESWAX—There has been no material change during the week, and prime lots are

This Board met in regular session, a quorum being present.

Bills from the Board of County Commissioners amounting to about \$11,000, including stationery for the different county offices during the year and for the county printing, were approved.

The Board then took up the appointments made by the Commissioners as called on to give his reasons for voting against the appointment of certain parties, and the action of the Board seems to have been controlled by Mr. Sater's action, as on each appointment made without his consent the Board either refused to take positive action or rejected the appointment. The following is the slate as it now trands:

The aphointment of Frank | Armstrong for Court-house Superintendent was laid over. The Board approved the action of the Commissioners in appointing Samuel Bowles County Engineer with the modification that he be employed by the month instead of by the year. The following sphointments were confirmed. Dr. Bramble, jail physician; James Jordan, John E. Staebler and Jass. O'Neil, Jamies and John Boeckly as watch, and Meyer and John Boeckly as watch, while that of John Hogan was rejected.

The appointments of John Ritteman, Adam Meyer and John Boeckly as watch, while that of John Hogan was rejected. James Carlin was appointed Superintendent of the grading for the approaches to several bridges were awar-lead to different regular material and making the approaches to several bridges were awar-lead to different regular season.

Maskingum valley, 13e; Kanawha, 13e; Pittsburg, 13e; Ashland, 11@12, and Kanawha Cannel, 24c per bu.

COTTON Y ARNS—There has been no material variation in prices since our last. We Nos, 22e; carpet warp, white, 22e; do colored, 24e; wicking; 22e; coverlet yarn, 25e; cotton twine, 19@25e; cotton rope, 20@25e per 1b; 260s, per doz, 11e; 60s, 9e; 70s. 7e; batting, 19@25e per lb.

CANDLES—There is little doing, and prices have undergong no essential change. We quote common tallow, 11½@12½e; star candles, 17@11½e per lb.
